

Why I'm a Fan of VCIA

Carol, the coolest beekeeper!

Carol and 2 of her 4 beloved dogs

VCIA Member Carol A. Frey

Company: Great American Insurance Company,
Alternative Markets Division
Title: Vice President, Business Development & Marketing
Location: Upstate NY (near Saratoga Springs)

In her own words...

“VCIA is a treasure to me. I started attending the conference in 1998 and each year I enjoy the networking, education and friendship of so many colleagues in this industry. The association stands out in terms of its leadership and is dedicated to supporting the captive industry in terms of progress and the challenges they face. The education is top notch and therefore is one of the first captive conferences that I recommend to potential owners or brokers who want to learn about captives. I have had the opportunity to contribute on a variety of committees (conference, strategic planning, membership, design, conference ambassador). Each has offered me the opportunity to work side by side with the association, captive owners and a broad spectrum of captive experts.”

Fun facts

Carol has 4 dogs and 1 cat and enjoys camping, gardening, dog agility and beekeeping. She has 2 grown children - son Matthew is 24 and is a Mechanical Engineer and daughter Melissa is 27 and an Actuary. Carol became a proud grandmother to Isabella Ann on Feb 27, 2018.

**Carol started attending the VCIA Conference in 1998
and has served on 5 VCIA committees.
Thank you, Carol, for all you do to make VCIA great!**
